# River Road Riding Club

*providing a place for the equestrian enthusiast...*

*Nestled among the tall pines between the east and west courses of the Cypress Tree Golf Course sits a little-known club that caters to the equine set.*

The River Road Riding Club is a membership club with facilities where people can stable their horses. The club, which grew out of the Army Air Corps Tactical School riding program during the mid-1930s, offers members an alternative to using more costly off-base facilities. Active duty military and their dependents, retired military members, Department of Defense civilians and retired government employees are authorized to join the club.

Dues are reasonable, when compared to other stables, said Shane Hartley, volunteer club president.

"When someone joins the club, they pay a refundable stall deposit and then a monthly stall rental fee," said Hartley. "In addition, we have a monthly work day to perform facility maintenance and general housekeeping. Members provide labor in lieu of higher fees. Each member is responsible for the care and feeding of their own

horses, as well as cleaning out their stalls and paddocks."

Because members own their horses, renting horses by the hour is not available. However, an associate membership is available to people who don't own a horse, but are interested in associating with the club.

"We're currently at half capacity at the stables," added Hartley. "our capacity is approximately 17 horses. We do maintain a waiting list for those wishing to bring their horses into the club if we are at full capacity."

The facilities, located near the intersection of March Street and River Road, are adjacent to the Federal Prison Camp and the golf course. The stable consists of two barns for stalling horses, a wash rack, tack rooms, feed storage areas and a clubhouse. "We have a year-round shot program," said Hartley. "When shots are due a local vet comes out to administer

required vaccinations. We make sure everyone knows about it, because it's easier to do all the animals at one time and it keeps the cost down."

The horses aren't always confined to their stalls. In addition to the stable area, horses can graze on 10 turn-out pens averaging a half acre each. "If members want to work their horses we have two round pens and a lighted riding arena complete with jumps, barrels and poles to accommodate both western and English riding

styles," the manager explained. "We have also recently added a 'hot walker,' which is a motorized walker used to cool horses down after exercising, helping to prevent injury to the animals."

The facility also includes one quarantine paddock where horses that are new to the facility are isolated for seven days to ensure they are healthy before coming in contact with other horses.

According to Hartley, some of the wire fencing at the stables has been replaced with white vinyl fencing. "The white vinyl fencing is more attractive and safer for the horses. I've seen horses torn up pretty bad after going through a wire fence, plus it's gets expensive for treating a horse with cuts. So, it's a win-win situation for everyone.

"In addition, security lighting has been installed in the more isolated areas of the facility. This extra lighting ensures rider safety. It is the goal of the membership to develop a facility which reflects the pride of the entire Maxwell community," he said.

Anyone interested in becoming a member of the club can contact Hartley at 953-7357 or you can find friendly club members most afternoons and evenings at the stable, enjoying their horses.

# ITT plans trip to *Cinderella* **Birmingham Broadway Series**

Several generations have fallen under the spell of Rodgers & Hammerstein's enchanting musical Cinderella, which is coming to the Birmingham Broadway Series next year.

Cinderella was first shown on CBS Television in 1957 starring Julie Andrews and re-made with Lesley Ann Warren in 1965. It was most recently seen on "The Wonderful World of Disney" with Brandy and Whitney Houston in 1997. Now this small screen classic comes to life in a new stage adaptation by Tom Briggs with Tony Award nominated actress Eartha Kitt as the Fairy Godmother.

Known throughout the world for her versatility and style, Ms. Kitt has been nominated for three Tony Awards, an Emmy Award and two Grammy Awards. Ms. Kitt was recently nominated for a Tony for her role in *The Wild Party* and she also received critical acclaim nationwide starring as the Wicked Witch in the national tour of *The Wizard of Oz*. Other stage credits include *Dr. Faustus*, *New Faces of 1952*, *Monotonous*, *Mrs. Patterson* (Tony nomination), *Shinbone Alley*, *The Skin of Our Teeth*, *The Owl and the Pussycat*, *Timbuktu* (Tony nomination), *Bunny*, *The High Bid* and *Follies*.

With an enduring career that has spanned theater, cabaret, television, and the recording industry, the international star has become nothing less than a household name. Her electrifying voice can be heard in the Disney film, *"The Emperor's New Groove,"* and she will appear in the Showtime film *"Feast of All Saints."*

Jamie Lynn Sigler, star of HBO's *"The Sopranos"* stars as Cinderella.

Cinderella is filled with timeless characters, irresistible romance and the unforgettable songs of Rodgers & Hammerstein. The musical arrangements by Andrew Lipa bring Cinderella to life with the dazzling stagecraft that will leave audiences "happily ever after!"

Cinderella is at the Birmingham Jefferson Civic Center Feb. 5-10, 2002, and the Maxwell and Gunter Information, Tickets and Travel Office is planning a bus trip to see a matinee performance Feb. 9. Cost is \$54 for the bus trip and tickets. ITT has a few individual tickets for \$39 per person.

## Designated drivers get chance to win hotel stay

People who help their friends and family safely observe the holidays by serving as designated drivers have the chance to win a weekend stay at an upscale hotel for their efforts.

The 2001 holiday designated driver promotion will award weekend accommodations at one of two San Antonio Marriott hotels to someone from each base in the command.

People can enter the 2001 Holiday Designated Driver Program contest Dec. through Jan. 1 at any Services facility that serves alcoholic beverages. When people identify themselves as designated drivers, they will receive an entry form to win a stay at the Marriott River Center or Riverwalk Hotel.

Designated drivers at Altus, Columbus, Keesler, Little Rock, Vance and Maxwell will also be eligible to win a three-day car rental from Avis through Carlson Wagonlit Travel Service. (Federal endorsement of sponsors not intended.)

"The people at the San Antonio Marriott River Center asked what they could do to support the military," said John Franklin, AETC Services commercial sponsorship manager. "This is an excellent example of support for morale and welfare programs and the Marriott's expression of support to AETC personnel."

A designated driver can enter the drawing once each visit.

"A person visiting Services facilities several times during the holidays can enter the contest several times," said Steve Cowan of AETC Services.

Designated drivers must be a minimum of 18 years old to enter. The drawings for the Marriott weekend passes will be held at each AETC base Jan. 3.

"Designated drivers make the holiday season safer for all of us," Cowan said. "The Marriott is helping make our command's program stronger."

Federal endorsement of sponsors not intended.

## Manager's Message

**Paul Lewis**  
General Manager  
Maxwell Officers' Club

Happy Holidays from the staff and management of the Officers' Club. We have many holiday activities planned and hope you and your family can join us for the fun.

Each month we have Mongolian barbecue on Thursday from 5:30 to 8 p.m. This month we will only offer it one time due to the holiday schedule for December. So please join us on Dec. 13 and bring your friends and family. The cost is \$8.95 for the first eight ounces and 50 cents for each additional ounce. This price also includes the all-you-can-eat salad bar.

We will have another special Thursday night on Dec. 20. This will be our Members Appreciation Night, with a dinner buffet. Dinner will be FREE for members, \$6 for adult guests, children, ages 4-12, will cost \$3.50 and children under 3 will eat free. We will offer five meats and seven vegetables with soup and salad bar. Please call for reservations and please remember that this dinner is for members only.

By the way, don't forget your 10 percent for all meals when you show your Club Card. We just wanted to say thank you for being a member. Lunch is from 11 a.m. to 1 p.m. weekdays and dinner is from 5:30 to 8 p.m. Monday-Saturday. We will be serving Sunday Brunch each Sunday through Dec. 16. We will be closed the last two Sundays of the month. Please plan to dine with us on Sunday for the best Brunch in town. The cost is \$9.95 for adult members and \$11.95 for eligible nonmembers. For seniors 65 and older, the cost is \$7.50 for members and \$9.50 for

nonmembers. Children ages 12-4 will cost 55 cents times their age and 3 and under will eat free. Please call for reservations.

Each weekday until December 25th the club will serve its all-you-can-eat lunch buffet from 11 p.m. to 1 p.m. The club will also have specials in the bar and don't forget about Hump Day: each Wednesday until December 25th members can eat free pizza from 5 to 7 p.m. The club will be closed from Dec. 23-25 and only open Dec. 26-28 with a limited lunch line from 11 a.m. to 1 p.m. We will not be serving dinner all week.

Ring in the New Year here at the club with all your friends for only \$29.95. Price includes a fantastic dinner buffet featuring all you can eat steak, with ham, chicken, fish and many vegetables. Then dance the night away with the big band sounds of the Montgomery Recreators. After we ring in the New Year, stay for our breakfast buffet served until 1 a.m. Please call for reservations.

I want to take a moment to say thank you for all your support. I have been here now for nine months and you have welcomed me with open arms. It is a true pleasure to serve all of our members and guest and I consider it a privilege to be your club manager. Please enjoy this special time of year, hold the ones you love very close and be thankful you have them near by. Let's also remember those who will not be with their families this Holiday and let's all pray for their safe return home. Happy Holidays and God Bless America.

## Extended Duty Care now available

The Air Force recently approved the Maxwell and Gunter Family Child Care Program to start extended duty care for military families working extended hours.

Two licensed providers, one at Maxwell and one at Gunter are now available for up to 20 hours of service each week through Dec. 15. Tamika Merkison at Maxwell and Amy Koch at Gunter are the FCC providers currently approved to provide Extended Duty Care.

According to Elaine Mills, Family Member Support Flight chief, "We are anticipating approval for this service through at least June 2002, but that depends on the number of hours that the providers are used by the base."

The Extended Duty Child Care Program assists military families working extended hours by increasing the hours of care available in Family Child Care homes. The Extended Duty Child Care Program provides services beyond the standard 50 hours of care that families are already purchasing in child care programs on or off base. The program offers care in FCC homes beyond the standard 10-hour childcare day or five-day workweek.

The program provides childcare that is more accessible to military members as they perform their mission contingency or high tempo operations. It's designed to help families that need more care because they have to work longer hours, evenings, weekends, and/or are experiencing a temporary shift change.

To be eligible for this program, at least

one parent must be a member of the U.S. Military Service; active duty; Reserve or Guard member on active duty; dual employed (married to a civilian); or DoD civilian employee. The parents are required to work mission related duty beyond the standard 40-hour work week and no one else is available at the home to provide care for the child.

FCC providers offer extended duty childcare for mission related duty for the following reasons: on-base mission related duty, extended duty days, temporary shift changes, rapid mobilization and deployment

The maximum cost for this program is \$2 per hour, which is payable at the child development centers. Parents currently using the CDC or School-age Program will have the fee pro-rated based on their current weekly fee. (The fee has been temporarily waived at this time.)

Whenever care is needed, people will need to contact Ms. Cooper to reserve the specific days and times. Ms. Cooper is available from 8 a.m. to 5 p.m. weekdays for reservations. When care is required on short notice for evenings and weekends, a parent can contact the providers directly. The providers are Tamika Merkison at 834-4696 and Amy Koch at 270-1035. Mrs. Merkison will be available through Dec. 15. Then Cynthia Soriano will be available starting Dec. 16. Mrs. Soriano can be reached at 271-1292.

For information about extended duty care, call Ms. Cooper at 953-2585 or 953-6071.

## FAMILY CHILD CARE NEWS

### Family child care licensing procedures change

The procedure to become a licensed Family Child Care provider on Maxwell and Gunter has been modified to offer weekly opportunities for interested applicants to begin their process.

A pre-orientation briefing is now held from 11 a.m. to 12:30 p.m. every Monday at the Gunter Child Development Center.

At these briefings, Beverly Rolon, the Family Child Care coordinator, will review the licensing procedures for prospective candidates, giving them a brief overview and allowing them the opportunity to express any questions or concerns they may have about the program.

Anyone who cares for children in base housing for over 10 hours per week is required to be licensed. Failure to do so may cause the provider to lose base housing privileges.

The training classes, conducted by Sheri Cooper, a Family Member Programs Flight training and curriculum specialist, had been scheduled the last week of each month. Now, the classes are available from 8:30 a.m. to 12:30 p.m. every Wednesday and Friday in Building 519, which houses the Family Child Care Lending Program. Family child care providers are required to have 24 hours of training, which includes first aid and CPR. The training is now a self-paced program that allows the provider flexibility in scheduling his/her attendance.

If anyone is interested in becoming a Family Child Care provider, please call Sheri Cooper at 953-2585 or Beverly Rolon at 416-3185.
